

PRME Principles for Responsible Management Education

Working Group on
Sustainability Mindset

Dr. Shirley Mo Ching Yeung
Gratia Christian College
5 Wai Chi Street, Shek Kip Mei,
Kowloon, HKSAR

April 17, 2018

Dear Dr. Yeung,

We welcome you as our Ambassador for PRME Working Group on Sustainability Mindset for the Asia region.

We value your support and the promotion of the mission of the Working Group and your efforts towards achieving the SDGs by developing a sustainability mindset. Yours is a very important role, finding and welcoming new members in the region, and identifying possible conferences for members to participate in, media to be featured in and partnerships of interest.

Sincerely,

A handwritten signature in black ink on a light yellow background. The signature is cursive and appears to read 'Isabel Rimanoczy'.
